

## Field Trips

Please note the field trip “assignments” on the back of this page. If your name is not on any list or if you must change your day, please complete the form at the bottom of the page.

**How to get there:** Car pools will have to be formed—remember to reimburse the driver for expenses. Please try to avoid going to the field locations alone as this wastes fuel and money and it can’t be as much fun as traveling with a few friends. Maps to field sites are in your lab manual. *Meet at the field location at 2:00 PM on your assigned day.*

### What to do:

1. In the lab. Observe the slide-tape module and do the Grade Option Activity (GOA).
2. In the field. Dress appropriately for the weather and for walking. Be prepared to take notes.
3. Back in the lab. Take the post-test.

### Plant Community Field Trip

Place: Pedro Valley Park, Pacifica

\$5 to park in the lot; free on the street

Dates: Sept 14 and Sept 16

GOA: Set up a Berlese Funnel using a soil sample. Obtain about 1 liter of good, moist soil or leaf litter from your home or around campus. Set up the funnel early in the week as it takes 2 or 3 days to gather soil animals.

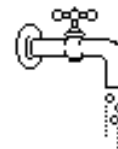

### Sewage Treatment Plant Field Trip

Place: South San Francisco/San Bruno Water Pollution Control Facility

Dates: Oct 14 and Oct 15

GOA: Enology

### Self-Guiding Field Trip—required ..... **Due: Nov 20**

Complete the Zoo, Oakland Museum, *or* Aquarium self-guiding field trip.

*S.F. Zoo hours:* 10-5 daily. Check free day..

*Steinhart Aquarium hours:* 10-5 daily. Golden Gate Park.

*Oakland Museum hours:* Check free day.

### Extra Credit

- ◆ 10% extra credit for turning the Self-Guiding field trip in by **October 23**
- ◆ A *second* self-guiding field trip may be completed for extra credit. Remember **one is required** (50 points possible) and a *second* one may be done for extra credit (50 points possible). The second self-guiding trip *must* be to a different location.
- ◆ Extra credit can be earned for the Enology GOA for producing a finished (filtered, bottled, and labeled) product. Labeled as a product of Skyline Valley, to be given to the College.
